A visionary 200,000 sq ft state of the art office building at the heart of Bristol

Welcome to EQ. Bristol's first new build office to commit to deliver Net Zero Carbon (NZC) in Operation in accordance with the UK Green Building Council's (UKGBC) framework approach.

Arriving Q1/2023

THE BRISTOL WAY

ARRIVE IN STYLE

WORK. LIFE. BALANCED.

EQ offers each occupier every opportunity to make the most of their time — in work, and out of hours. Eating options include a bright, modern ground-floor café and a roof terrace restaurant and bar with breathtaking views across the city. Add to this unrivalled cycle facilities, a dedicated fitness studio with a full programme of classes, and a stunning event space.

19,827 sq ft of dedicated
amenity space

At the heart of EQ, the auditorium will become an inspiring space for events that bring people together. To support this, with a varied programme of events and activities, the in-house Life Team will be on hand to help you and your team make the most of life at EQ.

FIT & WELL

EQ's wellness facilities will be an integral part of the working day, with classes scheduled throughout the day and into the evening. Yoga, meditation and wellbeing talks will be just a few of the options available to help your people stay healthy, focused and performing at their best.

EQ is designed to be WELL Ready, meaning that the Base Build will enable occupiers to deliver their own WELL Gold certified space.

Employers offering wellness programmes reported a 66 increase in productivity

Workplace Wellness Trends 2017, IFE BP

EQ rooftop lounge offers a unique 3,864 sq ft working environment for tenants during the day. In the evening this space will transform into one of Bristol's most sought after restaurant bars.

SMART & SUSTAINABLE

S U S T A I N A B I L I T Y

AT ITS CORE

EQ is Bristols first new build office to commit to deliver Net Zero Carbon in Operation in accordance with the UK Green Building Councils UKGBC) framework approach.

EQ looks to people as well as technology to help create the next generation of truly sustainable office buildings. Changing people’s behaviour, as well as achieving market accreditations, is the path to a more sustainable future.

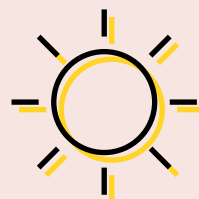

Every individual coming into EQ has a role to play. Each is an ambassador for the building. Once fully occupied, 1,900–2,000 tenants will be encouraged to make small changes that together will create a wider impact for our planet.

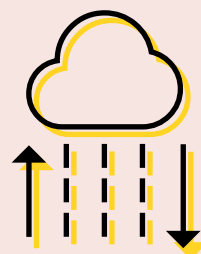

PEAK PERFORMANCE

All-electric building
Green energy supply.
EQ does not burn any gas
or fossil fuels on site.

Renewable Energy
600sqm of PV panels generating
enough electricity to power all
common parts.

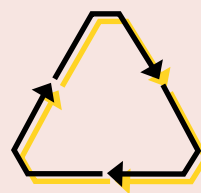

Rain water collection
We collect and reuse rain water for toilet
flushing, which could save 2,000 litres of
water per person each year.

Greener commute
Our 263 cycles stores, excellent shower
provision and 32 car charging points could save
1,700 tonnes of carbon each year.

100% fresh air
Our smart technology enables
ventilation control according to the
occupancy of each office.

Zero landfill
We can save 460 tonnes of waste from going to
landfill each year by recycling everything via our
waste management partners.

263 secure cycle stores and excellent shower provision. EQ has the ability to expand to 400 cycle spaces.

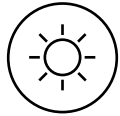

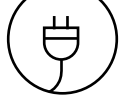

SMART BUILDING

EQ will deliver the integration of building systems and data rich technology to enhance the experience of colleagues and visitors, improving productivity and operational efficiency.

Our WiredScore Platinum accreditation certifies resilient systems, seamless connections and high speeds from trusted communication providers.

-  Smart Enabled, Digital Ready and Secure
-  Energy metering and Management
